

# JOIN A COMMITTEE!

Find a committee that matches your interests and get involved. Below are the Downtown Chamber's primary committees. Let us know which one(s) fit you best! You are welcome to contact chamber staff or the committee chair to get involved.

**Events** – Create and plan chamber programming. This is a young chamber, so all ideas are encouraged!

**Chair: Leslie Garman, [lgarman@dmarcunited.org](mailto:lgarman@dmarcunited.org)**

**Marketing** – Use your creative mind and talents to develop marketing pieces, connect chamber members to marketing resources, and work with local media.

**Chair: Sarah Bol, [sbol@eidebailly.com](mailto:sbol@eidebailly.com) & Lisa Thai, [Lisa.Thai@edwardjones.com](mailto:Lisa.Thai@edwardjones.com)**

**Membership** – Grow the chamber by introducing businesses to the benefits of chamber membership. This is a great way for them to learn about you, too!

**Chair: Wyatt Reicherts, [wyaatr@allmakes.com](mailto:wyaatr@allmakes.com)**

**Advocacy** – Work with state and local legislators, city officials, and business leaders to provide information and a direct connection for our chamber members to be heard.

**Co-Chair: Matt Jacobson, [matthew.jacobson@usbank.com](mailto:matthew.jacobson@usbank.com)**

**Ambassadors** – Your role as an ambassador is to help new members feel welcome, as well as facilitate introductions between attendees at events. If you're planning on regularly attending chamber events anyway, this is a great perk that will provide you and your business with extra exposure!

**Chair: Melanie Suljic, [msuljic@thepalmergroup.com](mailto:msuljic@thepalmergroup.com)**
